

Splash Photographic Wedding Photography Package Price List 2012

The Brecon Package

The Brecon package encompasses up to 9 hours of photography of your special day, with 2 photographers to ensure we capture every aspect of your days events. The albums used in this range are often referred to as Digi books, allowing for two page spreads of a single image. The images within them will be 100% digital effect or multi imaged pages compiled from your choice of favourite memories from the day. All design work is completed by us after your wedding day ensuring total control of the design. Albums are supplied in a carry case.
